1. Every ram and ewe sold will be guaranteed as a breeder if properly handled. It shall be the responsibility of the buyer to return a non breeder to the seller in acceptable breeding condition. The seller, after a fair trial and the animal is found to be a non-breeder, shall have the privilege of replacing the ram or ewe with one of equal value or satisfaction of the buyer, or refunding the purchase price. This guarantee shall not apply to any sheep that are shown subsequent to the date of the sale.

It shall be the responsibility of the buyer to notify the consignor, and then the sale manager, if such a problem occurs. Any consignor failing to comply with this rule shall automatically be barred from consigning any sheep in the following sale.

5. Neither the Sale Managers nor the sponsoring organization can or will assume any responsibility as to the authenticity of the pedigrees or bloodline information provided in the sale catalog, on pen cards, or otherwise, and the subsequent genetic performance of any sheep purchased.
