ASBA Policy # 511.00 Futurity

Ewe Lamb, Fall Ewe Lamb, Market Lambs and Yearling Ewe Futurity competitions are open to junior Southdown members who purchase futurity nominated ewes or wethers. Consigners must follow the policies for the sale and nomination process. Junior buyers must adhere to the exhibitor rules to be eligible for awards and premiums funded by the nomination fees.

Ewe lambs nominated at designated sales in the previous year plus ewe lambs purchased at the "Stars of Louisville" sale may compete as yearlings. Even though the junior designates the ewe lamb as market, it may show the next year as a yearling.

Southdown breeders are looking to the future. The Junior Southdown sheep project is the perfect combination of youth and livestock. We prove it by the investment breeders make in the future of our breed.

511.40 YEARLING EWE FUTURITY: RULES

511.41 The yearling ewes eligible to participate were purchased the previous November at the Stars of Louisville Sale, at a fall regional Southdown Sale that agrees to pay 1% gross Southdown sale commission to the Association or nominated and eligible to participate as ewe lambs or ewe market lambs for the previous year's futurity contest. They must remain in the purchaser's name, except for the following, 511.42

511.42 Yearling purchased in the name of an older sibling, that because of employment or advanced education is unable to show at fairs, may be transferred to the name of a younger sibling, but this applies to the entire show season, not individual shows. Only a sibling can show a yearling ewe that was in the ewe lamb futurity the previous year. This change of exhibitor needs to be documented in the Association office. (Passed policy-reorganizational meeting 2004).

511.42 Yearlings that are eligible to participate are nominated by submission of a point record form. The \$25 nomination fee at the "Stars Sale" will be included in the Yearling payout.

511.43 A traveling trophy will be presented to the winner of each animal class.

511.44 Any concerns or objections to futurity exhibition must be forwarded in writing to the ASBA office for determination of validation of exhibition points by the futurity committee; otherwise all unchallenged points will be counted as submitted.

511.45 Ewe lambs that are shown as spring ewe lambs may only earn points in ewe lamb shows and market ewe lambs can only earn points in market shows. The purchaser designates which competition a ewe lamb is in by the category of the first point reported. The category may not change after that.

511.46 All nominating fees for spring ewe lambs and market lambs will be combined and then divided between the two categories in proportion to the number of lambs reporting points in each category.
