Genetically, this ewe lamb is very similar to my ram entry; their dams are triplet sisters. I've repeated this breeding three times for a reason. They grow well, compete well, and produce well. Her full sisters have all lambed unassisted by 16 months old and raised competitive lambs. Giselle is complete and correct. She'd never leave the flock if it were not for space constraints.

We decided to sell our entire PENC fall ewe lamb crop this year. This one would have been one of our show ewes. "Honeywine" is the dam of the popular yearling ewe Olivia Porter showed last year.

This is our youngest ewe lamb born in the Fall of 22. She may not be as big as some of the fall lambs at the Ohio Sale, but hang on because she is going to fire up as the year progresses. She is fancy like her name, cool-fronted, ties through her shoulders like a show sheep and carries herself excellently. She comes with a cool pedigree too. "Bottom Shelf" is a full brother to the 2022 Champion Ram at NAILE and "Bingo" was Champion Ewe in 2018 in NAILE.

Kindred Spirit combines eye appeal with a great profile. His sire Hell Bound was Supreme Champion Natural Colored Ram at NAILE last year and in his first two lamb crops he has proven that he's a true stud. SLF 0640 is one of our best daughters of Wolf 19-08 (Who Made Who x Evergreen) and is a maternal sister to our yearling ewe entry.

Her sire Arctic Monkey also sired the Reserve Champion Ram at last year's sale and the Reserve Champion Ewe at NAILE Jr Show in 2021. Middle Child got her name as she was the second of the triplet ewe lambs born. Hell Bound was the Supreme Champion Ram at NAILE last year. Wolf 20-03 has been a very productive "no miss" ewe at two years old. Her first daughter was our Reserve Champion Ewe at NAILE Jr Show in 2021. At last year's sale her twin Jan ewe lambs were very popular selling for \$2200 and \$1800. Middle Child will be your only chance to own a daughter this year as one of her triplet sisters sold privately and we are keeping the other.

Stop by our pen and check him out and see how he can influence your flock. He's out of our Wolf ram who was Reserve Champion Medium Fleece at NAILE in 2021 as a fall ram. UB1702 is an early January buck lamb sired by the popular "Bombshell" (Top Tier x Atlas x Ali. His dam "1910" is a proven ewe that we purchased from Andy Korb and immediately has made an impact on our flock.

UB102 is sired by "Deuces Wild" (Saban x Drop the Mic x Diamond Eyes). She was a triplet and was a little green but I see her filling out really well as her mom "Korb2027" is one of our favorite females in the barn.

This all white ram was the 4th place January ram at NAILE in 2022. His sire is all white and was bred by Salmon Run Farms. His dam is a big badger ewe born and raised on our farm. He'll add size, structure, and muscle to your lambs. Look at him close.

This January ram is the result of crossing our long and tall badger ram to an all brown ewe. ZWT 6871 was the dam to the 2019 champion ewe at NAILE in 2019. The hope was to get a longer bodied lamb with some color. We had success with the length but this guy ended up being mostly white. Definitely not one to overlook though.

Her dam is out of one of our foundation ewes and is a bedrock in our program. ZWT 6880 has never needed any coddling and year after year raises multiples without issue. Definitely look this one over.

D: Pine Knob Farm 1802 17627

Here is the twin to our yearling ram entry. We think her brother was a brat and hogged both sides of the udder, leaving her in the middle percentile when it comes to size...but we are excited about her potential in the lambing barn. Her mom is moderate-sized, and she makes stud after stud. If we didn't have a ewe lamb on the ground out of PKF 1802 right now, this one wouldn't be available!

It was hard to breed anything AI this year when we had MR. PICKLES standing there ready to make some rockstars with whatever ewe we put in his pen...but we did tip a few upside down. PKF 2131 was our lead yearling ewe turning heads everywhere in 2022. She won the judging class at All American and the AOB show at the Big E. I'm nuts for letting this one off the farm...be sure to capitalize on my insanity!

This ewe is the recipe I've been aiming to make -- a true American stud buck bred to a daughter of a European imported ram. This one might be young, but her future is bright!

PKF 1746 has always been the silent but deadly type. She's the one who always makes you stop as you scan the group of brood ewes and go "WHO is that?" Her daughters do just the same. I got a little crazy here letting this young little lady go!

You cannot find a much better pedigree running around our place. BSF1510 is the ewe known as Bernice. She is the mother of Burn Notice (2021 National Sale Champion Ram), Eradicator, Rocket Man, and Jude's February show ewes in '21 and '22. Mongo has quickly made a name for himself at Howe Farms. Mongo's winnings include: 2021 Champion Ram AAJS, Champion Southdown Youth Sheep Expo, Champion Ram IL State Fair Open Show, Reserve Grand Champion Ram NAILE Open Show, Reserve Sr Champion Ram NAILE Jr Show, and 2022 Grand Champion Ram The Classic. It is not very often that the opportunity is available to purchase a buck prospect with genetic consistency that this guy possesses all while having the correct alphabet. RR EDF FF

Burn Notice is the War Pig sired 2021 National Sale Champion Ram. PF2006 is War Pig x PF 7001. 7001 was the Reserve Grand Champion Ewe at the National Futurity Kickoff show in 2017. War Pig has worked tremendous in our program and many others that have utilized him in theirs. The real value on those sheep shines through when War Pig is both on the top and bottom side of the pedigree. Be sure to check this ewe lamb out. She is possibly the best female we have brought to a live sale.

Here is an interesting genetic piece that has proven itself to work. Rocket Man is the 2022 full brother to Burn Notice, Eradicator, and Jude's February show ewes in '21 and '22. Hired Hand 6095 has consistently produced top end wethers averaging \$2,000. 6095 raised a buck lamb (Afterburner) in 2021; sired by Burn Notice, that went on to be the Supreme Champion Ram at the 2021 Kentucky State Fair. Afterburner is now at stud at Bechman Family Southdowns. This is your opportunity to own a genetic sister to Afterburner.

Grand Champion Southdown Ram sold for \$1,200 from Ohio to Tennessee at the 2022 Ohio Showcase Sale.

Our January ewe lambs look great! Thus, we are having a difficult time deciding the best one to offer! Once we decide, we'll announce our selection on our farm Facebook page and farm website (www.schoolhouseshropshires.com).

932-Early February Ewe Lamb

Another tough decision for us! We have had a great lambing season and have several February ewe lambs to choose from. At time of entry, we want to get a little more "grow" on them before a decision is made as to which one to offer. Check out our farm Facebook page and farm website, www.schoolhouseshropshires.com to see our chosen selection. We promise to have pictures, pedigree and additional details on the entry in the near future.

B: 01/02/2023 Single
S: KABOOM CLSF 1894 M461256
D: Land Run 2209 M469449

Sired by KABOOM, the 2018 National Champion Ram. I really like this ram. He is a large framed ram that is very smooth made. He is upfronted and has very woolly legs. Show him and then breed him to all of your ewes, you will not be disappointed. His dam is one of the tallest and wooliest MYTHICAL daughters that we own.

Land Run 723 RRNNFF

B: 01/03/2023 Single
S: Land Run 2201 M469453
D: SPLASH CLSF 2049 M465281

2201 is the best Mythical son that we have made. SPLASH was the 2021 National Champion Ewe in both the Open and Jr show, she also won her class at the All American. Land Run 723 is massive, he is built just like his mamma. He is a maternal brother to our 1st place March Ewe lamb at Louisville.

B: 02/17/2022 Twin
S: MYTHICAL Carson 2004 M466186
D: YUMMY YUM CLSF 18102 M462646

Probably the best show prospect of the four yearling ewes we have entered. She is a tall fronted, pretty made ewe with plenty of muscle and white wool. YUMMY YUM has been a top brood ewe for us. We have kept back 4 females and sold a ram to Merveldt in OK.

Land Run 687 RRNNFF

B: 03/18/2022 Twin
S: MYTHICAL Carson 2004 M466186

Another big topped fancy made yearling ewe. She is the hardest handling ewe of the group. Her dam is a full sibling to DARK RUM.

B: 03/28/2022 Triplet

Probably my favorite ewe of the group. She will make a nice show ewe. These yearlings are very young, they will continue to grow and mature into nice show ewes and then will make great brood ewes. Dam is a massive SUMMIT daughter out of CLSF 2028, the Reserve Supreme Ewe at the 2021 Oklahoma State Fair.

She will be fun to show this summer. Dam is one of our best SUMMIT daughters. Summit was the 2019 National Champion Ram. She will be futurity nominated.

951-LateFebruary Ewe Lamb 2/16+

S: SUMMIT CLSF 1919 M462928

We had a large group of Summit ewe lambs at the end of February and early March. They are very young so I'm not sure which ewe lamb we will bring at this moment, but she will be the biggest and the best of that group. The SUMMIT lambs did really well this past year. We had the Champion Ram and Ewe at the Missouri State Fair, class winner at Freedom Fest, and a class winner at Louisville. She will be futurity nominated.

This big boned, massive, wooly buck placed in the top five for the January Ram Lambs at the 2022 NAILE Open Show. Lambs out of DOA 18-036 have been top competitors wherever they have gone. In 2020 his half sister was the Reserve National Champion Hampshire Ewe. At the 2022 Midwest Stud Ram sale his half brother was the Champion Ram at the National Hampshire Sale. Two years in a row, his half siblings have been the top selling fitted Hampshires at the Ohio Showcase Sale. Along with his half sister placing as the class winner of the early spring ewe lamb class at the 2022 Illinois state fair.

My granddaughter only has a couple ewes and we really don't need to keep a buck. He is a half brother to the top selling fitted Hamps here the last few years and to the Champion Ram at Sedalia last summer. He is a very correct, stylish ram that is really getting big with a ton of wool and bone. Out of an Alf- Plaza bred ewe. Should make someone a very competitive show prospect and future stud ram.
